S1-6 Young Promoters

Interested in a career in marketing, events management or the performing arts? Then here is the perfect project for you! North East Arts Touring (NEAT) are looking to recruit a group of 'young promoters' in Banff Academy. This group will get to work with industry professionals to publicise and promote a show coming to Banff in May this year. This is an amazing opportunity for any pupils who are interested in all aspects of marketing, promotion, press release, events management or the performing arts. If you are interested please attend a meeting with the NEAT organisers and Miss Cherry in the drama studio on **Monday 15th Jan from 4-5pm**. If you can't make the meeting but still wish to be involved in the project, please give your name to Miss Cherry. Thank you.

Found Glasses

I have found a pair of glasses in the drama studio. I think they may have been left by a pupil involved in the Rock Challenge. If any pupil who has been in the drama studio has lost a pair of dark glasses, please come and collect from Miss Cherry in the studio. Thanks. Miss Cherry
